Puget Sound Dispatch, herein called "the company," hereby agrees to provide
(Company name)

Thomas Muething, herein called "the volunteer worker," a client of
(Client)

Neurology Vocational Services Unit (NVSU), herein called "the rehabilitation agency,"
(Agency name)

with orientation, training, and work experience in Dispatcher.
(Job title)

This training does not obligate the company to offer an appointment of such a position when this work period is completed. It is designed to allow the volunteer worker to experience this type of work as part of an approved, individualized plan of rehabilitation in connection with other rehabilitation services. There is no commitment on the part of the company to employ the volunteer worker at the completion of the training/work experience. This training will be used by the rehabilitation agency to gain skills and experience in transportation.
(Purpose of experience)

The rehabilitation agency will provide additional training, serve as a resource for questions, check in bi-weekly at least.
(Description of services)

The volunteer worker is reasonably qualified to do the type of work required because previous customer service & transportation exp.
(Client qualifications)

This work experience will begin 9/17/18 (Date) and will continue until 10/20/18 (Date).

The volunteer worker will work at 9201 S. 128th St. Tukwila, WA (Worksite)

1. Sept 17th-21 11-3pm MTThF
2. Sept 24th-Oct20

from 1pm (Hour) to 4pm (Hour) on M, T, W, Th, F (Days) for the above named period.

The volunteer worker will not be used to replace an employee who would ordinarily be hired. The volunteer worker will not be paid by the company for this work. It is understood that all services that may be rendered by the rehabilitation agency will be done without regard to race, color, religion, gender or national origin, in accordance with provisions of federal laws. This "Agreement to Provide Work Experience" may be terminated at any time by one party after written notification to the other parties. Volunteer workers who participate in the Unpaid Work Experience Program are technically volunteers under Neurology Vocational Services (NVS) assigned to an employment site. Labor and Industries (L&I) insurance is paid by NVS. The client is a volunteer of the rehabilitation agency and L&I workers compensation insurance will be paid by the agency based upon the employment risk category and the hourly base rate for the specific work activity. The volunteer worker agrees to abide by all standard safety rules and regulations required by the company.

The undersigned have read and agree with the provisions stated above.
